

## ENVIRONMENTAL POLICY

### Our mission – Nurture our World and Future

Natures Way Foods Ltd is one of the UK's leading fresh prepared produce suppliers. The business operates from the South East of England and is controlled from the Head Office in West Sussex.

This policy supports and describes our responsibility towards the environment. We work with employees, and anyone working for or on behalf of the organisation, to protect and enhance the environment and minimising the impacts of our business on the environment.

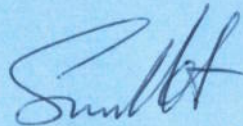

Accordingly Natures Way Foods is committed to:

1. Driving continual environmental improvement in our environmental performance and prevention of pollution and implementing Environmental Management Systems in compliance with ISO 14001:2004
2. Developing environmental targets / objectives annually, aiming to reduce our key environmental impacts
3. Developing performance indicators to measure resource use and waste to demonstrate efficient use of resources
4. Complying with all applicable and legal requirements and with other requirements to which our organisation subscribes and which relate to our environmental aspects
5. Training of staff, suppliers and contractors to ensure that they are aware of the environmental policy statement and enhance environmental awareness
6. Minimising disturbance to the local environment
7. Reviewing this Policy to take into account legislative and technological changes
8. Making our policy available both internally and externally

Successful delivery of the policy involves generating a culture that actively encourages best environmental practices and ensure the involvement of all our people.

### **Policy review:**

This policy has immediate effect and replaces all previous versions. This policy will be reviewed and amended, as necessary.
